Als zitten of liggen niet vanzelfsprekend is

Stalenmap

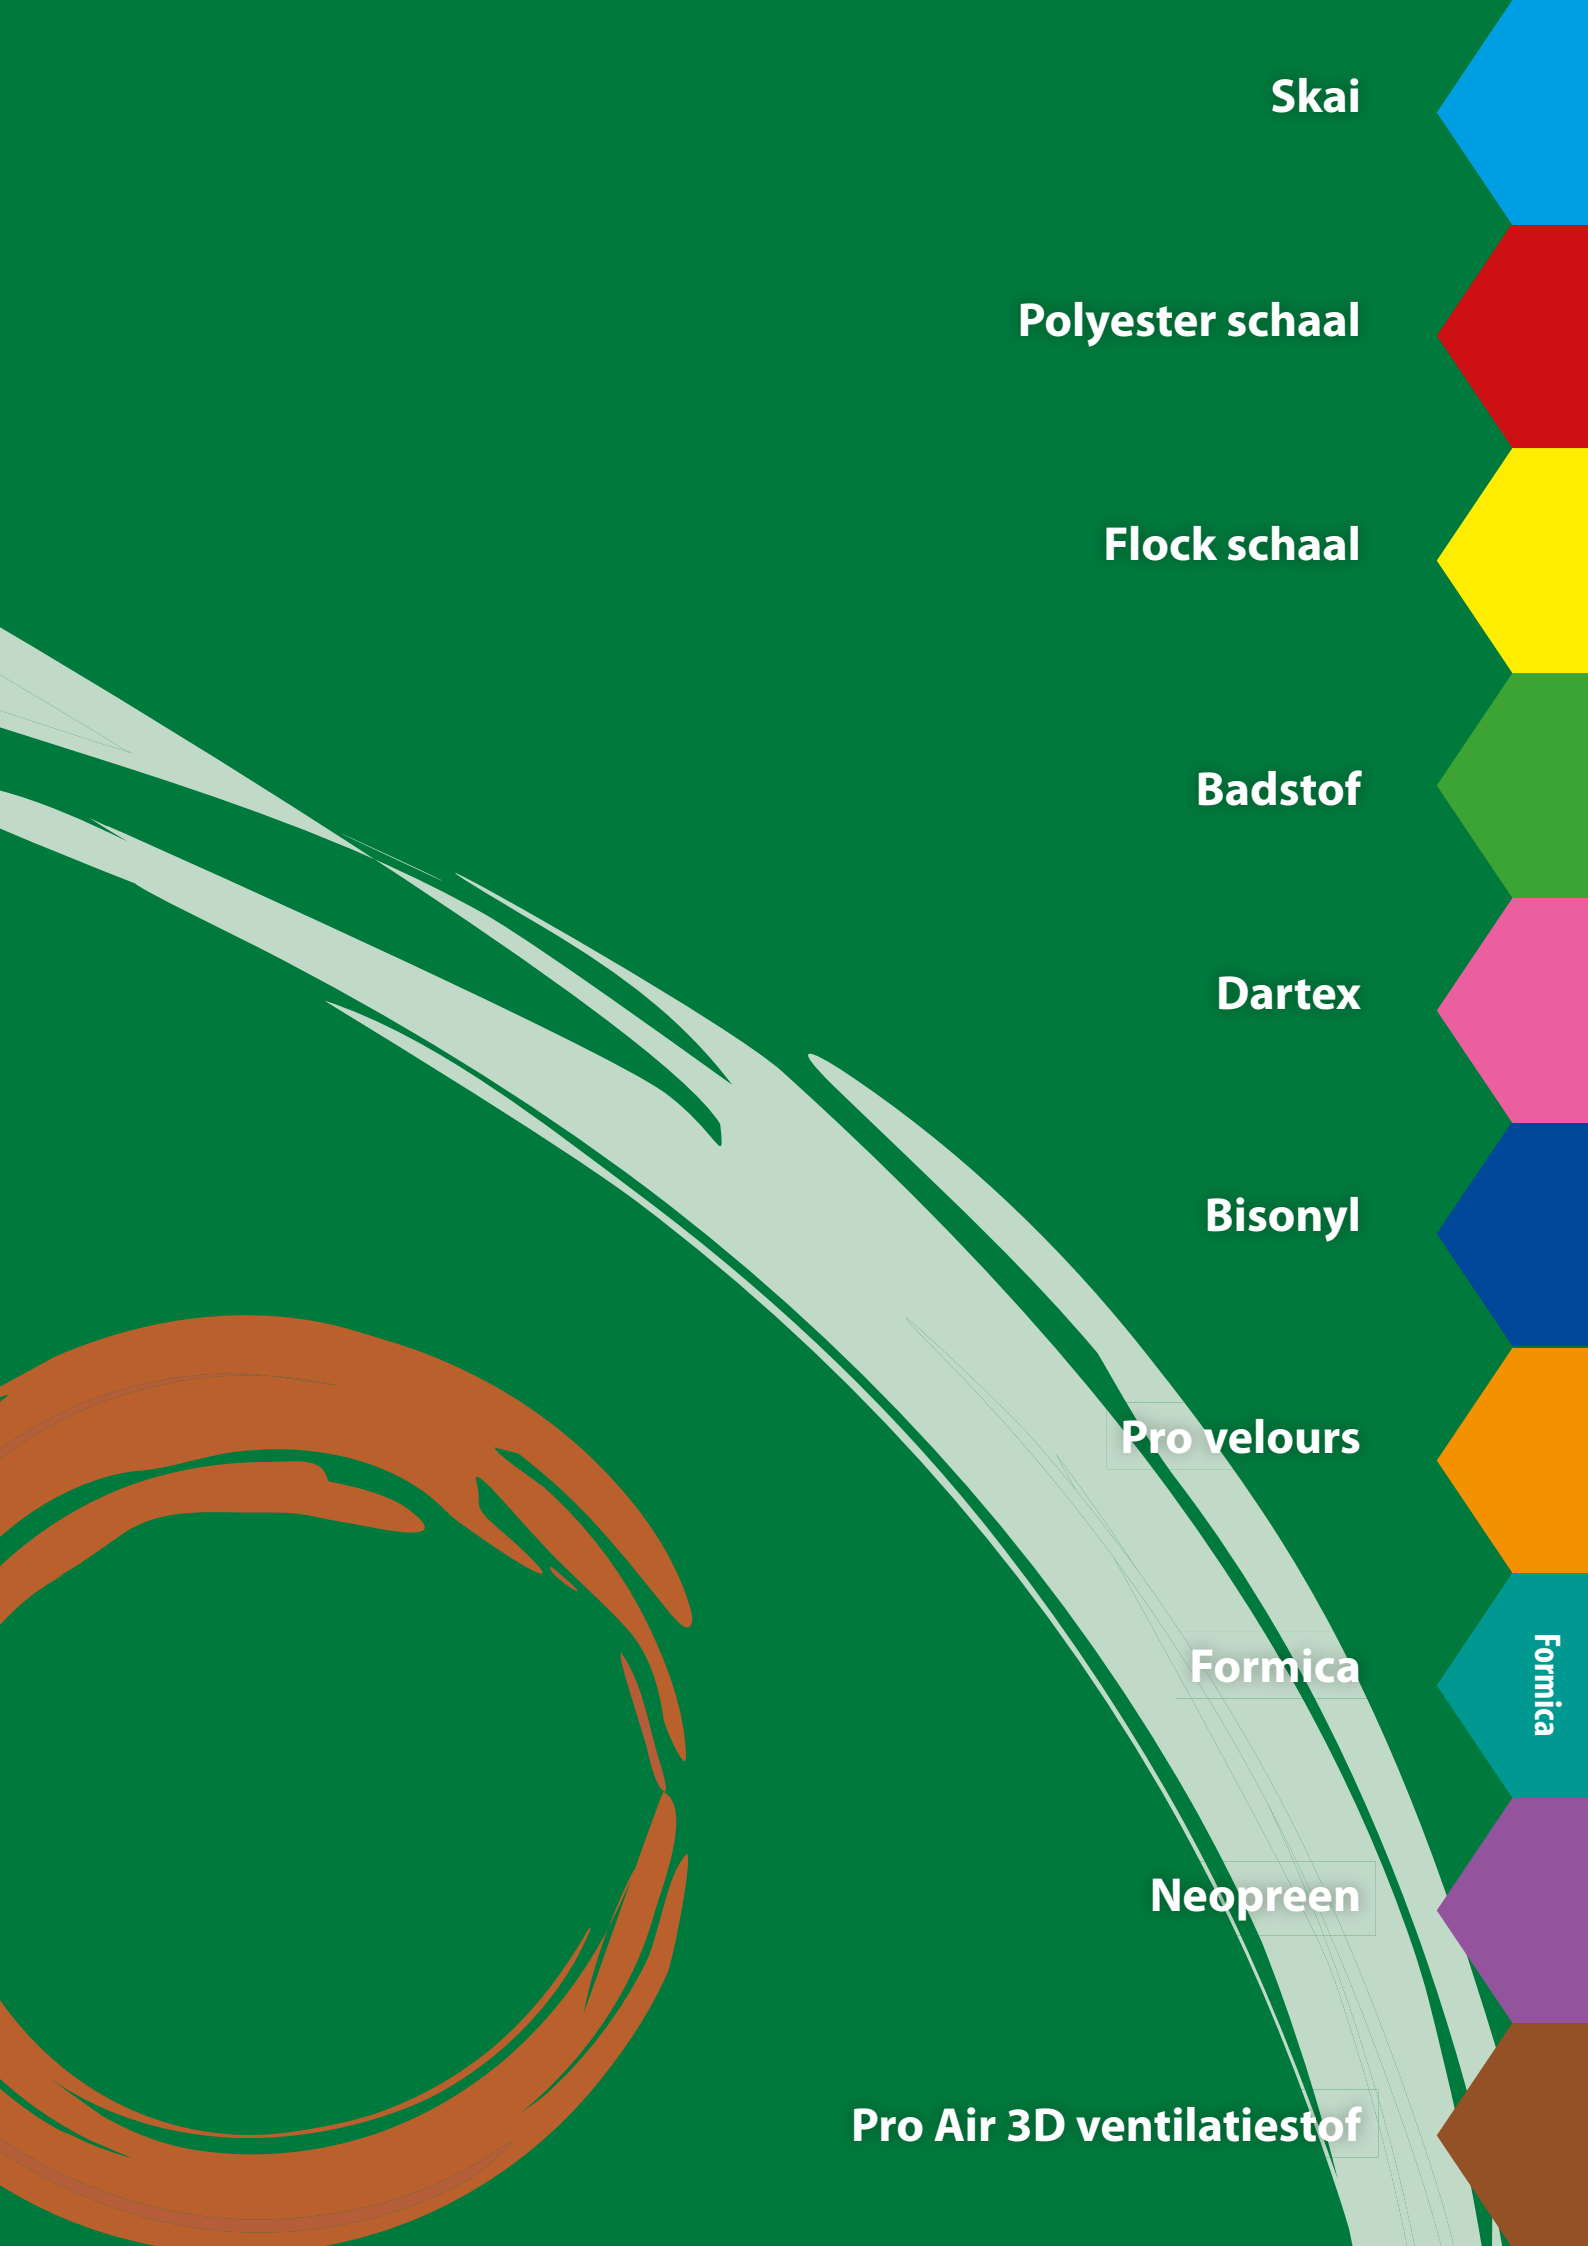

Comfortabel zitten en/of liggen moet voor iedereen, ongeacht beperking, mogelijk zijn.

Wij vervaardigen zit- en ligortheses op maat. U heeft de mogelijkheid uw eigen kleur en materiaal uit te kiezen. Met trots presenteren we u deze map waarin u een overzicht vindt van de mogelijkheden en de beschikbare materialen met de bijbehorende kleuren.

Wij helpen u graag bij het bepalen van uw keuze! Uiteraard kunt u ook een overzicht vinden op onze website: www.rzgroep.nl
